Accountability Principles

AP 1.0 Comprehensive Accountability Statement

The board is accountable to God first and to the people of the church by governing through effective policies, being good stewards of finances and talents and holding the senior pastor accountable solely for the achievement of the church's Annual Ministry Goals and the non-violation of the Boundary Principles.

AP 1.1 Stewardship to Christ for Those He Calls Us to Serve

The board shall maintain an active connection with the "moral owners" of the church: Christ and all the people he has called his church to serve.

AP 1.1.1 The board will maintain its active connection with Christ by devoting significant meeting time to prayer and the Word of God. Through the teaching and guidance of the senior pastor, the board will continually seek the wisdom and leading of Christ as the Lord of the church.

AP 1.1.2 The board will maintain its active connection with the members and attenders of the church by regularly collecting input and feedback from members, attenders, and non-returning visitors to better understand their needs. Every five years the board will consider a full church assessment by a competent consultant.

AP 1.1.3 The board will maintain its active connection with the community by investing significant resources each year to enhance its understanding of the needs of people in the community and to enhance the church's reputation of service to the community.

AP 1.2 Governing Style

The board will govern with an emphasis on:

AP 1.2.1 Outward vision rather than internal preoccupation

AP 1.2.2 Encouragement of diversity in viewpoints

AP 1.2.3 Strategic leadership more than administrative detail

AP 1.2.4 Clear distinction of board and staff roles

AP 1.2.5 Collective rather than individual decisions

AP 1.2.6 Future rather than past or present

AP 1.2.7 Acting proactively rather than reactively

AP 1.2.8 The interests of the entire church, rather than individual constituencies

AP 1.3 The Work of the Board

The essential responsibilities of the board are:

- AP 1.3.1** Loyalty to the Mission and Vision of the church expressed in observable behaviors that help the church accomplish them
- AP 1.3.2** Establish and maintain policy in the form of Guiding Principles
- AP 1.3.3** Achieve executive accountability by monitoring senior pastor performance
- AP 1.3.4** Empower and resource the senior pastor for success in achieving the annual Ministry Goals
- AP 1.3.5** Join the senior pastor in planning for the future of the church
- AP 1.3.6** Develop leaders for future board service. The board will invest appropriately in the cost of developing future board leaders.
- AP 1.3.7** Develop current board members for more effective service. The board will invest amply in its own governance capacity through training, outside expertise, research mechanisms, and meeting costs.
- AP 1.3.8** Fulfill fiduciary and all other legal responsibilities as required by state and federal law.
 - AP 1.3.8.1** The board will insure against theft and casualty losses to at least 80 percent of replacement value and against liability losses to board members, staff, and the church itself in an amount greater than the average for comparable organizations.
 - AP 1.3.8.2** The board shall not invest or hold operating capital in insecure instruments, including uninsured checking accounts and bonds of less than AA rating, or in non-interest bearing accounts.

- AP 1.3.9** Ensure the budget aligns with the Vision and cooperate with the pastor in achieving funding for budget.
- AP 1.3.10** Along with the Senior Pastor, through prayer and discussion, ensure the church has a long-range Vision. Align the Ministry Principles/Goals, annual goals, and budget to accomplish the Vision. Make the Vision well known to the congregation.
- AP 1.3.11** The achievement of a minimum of two and no more than four annual board goals.
- AP 1.3.12** Self-evaluation based on:
- AP 1.3.12.1** A clear understanding of the church's mission and the board's relationship to the mission's achievement
 - AP 1.3.12.2** A clear understanding of the board's mission, its functions, roles and relationships
 - AP 1.3.12.3** A clear delineation of board objectives, goals and tactics as established in its board goals for each year.
- AP 1.3.13** The board shall exercise authority granted to it by state and federal law, and in the constitution and bylaws not delegating them to the senior pastor.

AP 1.4 Board Member Commitment

Board members will be committed to the accomplishment of the Mission, Vision and Goals of the church. If a Board member's contributions are not patently obvious the Board member will resign his position or be subject to removal by the board chair.

Board members agree to abide by the following personal commitments:

- AP 1.4.1** Seek to maintain a close, intimate walk with the Lord by regularly spending time alone with Him in His Word and prayer.
- AP 1.4.2** Commit to pray regularly for fellow board members, staff, and the mission and ministry of the Church.
- AP 1.4.3** Give at least ten percent of the member's income to the work of the Lord at this church.
- AP 1.4.4** Serve in a ministry capacity other than board service.
- AP 1.4.5** Avoid conflicts of interest in all personal and family financial, employment or business matters.

AP 1.5 Board Member Code of Conduct

- AP 1.5.1** Members of the board must honor the principles and decisions of the board acting as a whole.
- AP 1.5.2** Members may not foster dissent.
- AP 1.5.3** Individual members may not attempt to exercise individual authority over the staff or the church.
- AP 1.5.4** Members of the board must respect the confidentiality of sensitive board issues and must avoid facilitating gossip or other “triangulation” contrary to the practice of direct, biblical resolution.
- AP 1.5.5** Members must conduct themselves at home, work and the community in ways that enhance the reputation of the church and Jesus Christ.

AP 1.6 Role of Board Chair

- AP 1.6.1** The chair protects the integrity and fulfillment of the board's work by holding the board and its members accountable to abide by the Guiding Principles.
- AP 1.6.2** The chair ensures the effective monitoring of the senior pastor's performance based solely on the material achievement of the Annual Ministry Goals and the non-violation of the Boundary Principles.
- AP 1.6.3** The chair has the authority to use any reasonable interpretation of the Accountability Principles as he or she acts to ensure the integrity of the board's process.
- AP 1.6.4** The chair, in partnership with the senior pastor, will establish the agenda for each board meeting.
- AP 1.6.5** The chair will lead board meetings.

AP 1.6.6 The chairperson will constrain discussion at board meetings to those matters which constitute board work as opposed to staff work.

AP 1.6.7 The chair may delegate the chair's authority to other board members but will remain accountable for its use.

AP 1.7 Principles Governing Board Committees

AP 1.7.1 Board committees or task forces, if used, will serve the board in accomplishing its responsibilities. The work of board created committees and task forces outcomes shall not interfere with the work of the senior pastor or with the work of the staff.

AP 1.7.2 The board shall not delegate any portion of the board's authority to any committee or task force. Their work shall be advisory to the board only.

AP 1.7.3 The board shall establish a standing Finance committee for advising and reporting to the board on the financial matters of the church.

AP 1.7.4 Excepting the Finance committee, board created committees will typically exist for specified lengths of time with clearly defined responsibilities, mandates and goals.

AP 1.7.5 The board will provide any necessary resources for completing its mandate.

AP 1.8 Senior Pastor Liaison Relationship

AP 1.8.1 The Board's sole official connection to the church's operating organization, its achievement, and conduct shall be through the senior pastor.

AP 1.8.2 The senior pastor is the board's only link to staff, so that all authority and accountability of staff, as far as the board is concerned, is considered the authority and accountability of the senior pastor.

AP 1.9 Senior Pastor Accountability

AP 1.9.1 Only decisions of the board acting as a whole are binding on the senior pastor.

AP 1.9.2 The board will instruct the senior pastor in the form of Ministry Principles to be achieved and Boundary Principles to be avoided, allowing the senior pastor to use any reasonable interpretation of these principles.

AP 1.9.3 The senior pastor will annually submit written, measurable goals that correspond to each of the church's Ministry Principles.

AP 1.9.4 The Board will regularly, fairly and systematically monitor the senior pastor's job performance. The measure of his or her performance will be limited to:

AP 1.9.4.1 The accomplishment of the Church's Ministry Principles as expressed in the board-approved Annual Ministry Goals.

AP 1.9.4.2 Operation within the Board's Boundary Principles.

AP 1.9.5 Each year, the board shall review the results achieved by the senior pastor on each of the annual ministry goals and overall Church health. Each Ministry Goal will be ranked on a 1-5 scale, and will receive an integer value based on the level of completion of each goal. A similar ranking will be given for the overall Church health. Each ranking will be based on the following criteria:

One: No measurable progress toward this goal was noted.

Two: Goal is not met to a satisfactory level.

Three: Goal met to a satisfactorily level.

Four: Goal exceeded beyond a satisfactory level.

Five: God-sized goal was met. (Only through God's strength was this goal accomplished to this level and his presence was evident throughout the accomplishment of the goal.)

Each ministry goal ranking, along with the overall Church health ranking, will be averaged together for the final Senior Pastor Evaluation Ranking.

A raise or corrective action shall result as follows:

AP 1.9.5.1 A cost of living adjustment plus a merit increase will be given for receiving an overall Exceptional or greater (higher than 3.5) evaluation ranking.

AP 1.9.5.2 A cost of living adjustment without a merit increase will be given for receiving an overall Satisfactory (3.0-3.5) evaluation ranking.

AP 1.9.5.3 No compensation increase will be given for receiving an overall less than Satisfactory (less than 3.0) ranking. Instead the board will impose a performance plan with six-month goals to boost effectiveness to an acceptable level. If any of these goals are not achieved, the board will offer the senior pastor either a specified time to find other employment or a severance package, depending on the best interests of the church and on the pastor's degree of cooperation. If the senior pastor is not willing to resign, the board will make its recommendation to the congregation.

AP 1.9.5.4 If the Board has not fulfilled its obligations as stated in these Guiding Principles, or successfully accomplished the board's Mission Objectives and Goals, the Senior Pastor shall not be held accountable for failing to achieve his or her Ministry Goals. Instead both Board and Pastor will establish a remedial performance plan under the direction of an independent consultant appointed by the Region.

AP 1.9.6 The senior pastor has the responsibility, authority, and accountability to serve as the primary leader of the church at every level: congregation, board, and staff. With respect to the board, the senior pastor will provide leadership for the board on all actions except for monitoring of the senior pastor's performance. If a question of process arises with regard to the bylaws or guiding principles of the church, the senior pastor will defer to the judgment of the board chair.
