Bethlehem 2008 Recap

I want to thank everyone that participated in the Bethlehem program. It was a huge success with 14,187 visitors attending. It was awesome to see the over 270 volunteers work together and how it touched so many people's lives. We heard a lot of comments on how well done the program was and that it has become a family Christmas tradition to attend. It was exciting to see that 300 Bible's were given away in English, Spanish, Arabic, Korean, Chinese, Persian and Russian.

God was at work during the program and we pray that seeds have been planted in people's lives. Once again God has been faithful and the funds that were needed to produce this event. Many donations came through the membership of SCFBC, fund raisers, private donations, and guest donations at the gate. I want to thank everyone who contributed to the program. We are going to have a Bethlehem volunteer appreciation dinner on Saturday, January 24th at 6:00PM in the

fellowship hall. Everyone that was involved in the program is invited for dinner and sharing of your Bethlehem experiences.

Next year's Bethlehem program will be December 10th - 14th 2009. Thank you again to everyone who helped make Bethlehem a huge success.

In Memory,

What If by Betty Lou Carlson

What if everyone said no? What if no one cared?
Children in need, so many to feed. Widows and orphans, too. What can we do?

Asked if they'll help, most people say, no
I'm too busy, you see, please, don't call on me. So much to do and so much to see, don't count on me.

A person in need, please don't plead. I won't lead
What if there was no love or concern anywhere? What a terrible world it would be if weren't willing to share.

So long ago when Jesus was asked to die for our sins, what if He said no?

What people are saying!

I was one of the greeters for Bethlehem 2008. I also spoke with our guests as they were leaving. The most spoken words were "what an overwhelming experience" and questions like "is a doll used as Jesus in the manger?" with complete surprise (and joy) that we were blessed to have babies from our congregation.

Many enjoyed seeing the baby camel and the great number of animals in general. After one of the Bethlehem shows, two Iraqi women came over to speak with me. They were so grateful to be able to experience the beauty of the birth of Jesus.

The older woman who was 85 years old, had tears streaming down her face and hugged me for at least 5 minutes. Her daughter translated to me just how meaningful Bethlehem was to both of them. They also commented on how much love and effort went into this beautiful presentation.

Chelsea Trigg

An inspiring production..... I was brought to tears. Thank you for bringing the message of Christ to Silicon Valley. (this note was sent with a \$100 donation)

Youth News

Reflect High School Group

December was a month where we broke from our usual routine. We ventured down to First Baptist Church of Salinas to take in their "Streets of Bethlehem" show. It was different and fun to watch the show, rather than be in the show. The next week the high school group participated in their usual role of being part of the Wise Men's entourage at our production of Bethlehem, escorting the Wise men through the town 23 times in the freezing cold.

Additionally, other High School youth served hot chocolate to the crowd. It was awesome to see such a large contingent of youth braving the cold. We also had our annual Christmas party, where we enjoyed a huge spread of food and the always amusing gift exchange.

The Element Jr. High Group

Element also took a break from the usual routine during the month of December. We went ice skating at Vallco and laughed as many of the youth repeatedly fell on their butts and were skating around with wet bottoms. The next week, Element members participated in Bethlehem, portraying various townspeople over the five cold nights. Element also had their annual Christmas party, enjoying awesome food as well as some Christmas themed games. We searched for Santa in the deserted town of Bethlehem, built human Christmas trees, had a battle of Christmas carols, played "Grandma got ran over by a reindeer", and enjoyed "Santa's Wild Ride" with Stephanie Raymond wiping out big time as Santa as the unruly reindeer where not very good pullers. Most importantly, Element members took some time and helped create Christmas cards for the shut-ins. It is truly a blessing to see the youth take time out for others as they have done this month.

Sunday Groups

Committed is continuing our study of the book of Mark, reading the first teachings of Jesus and how they still apply in our lives today. The **AB Girls** group on Sundays at 4 PM continues to meet in the youth room to watch and discuss the *Gilmore Girls* series.

Mexico Outreach 2009

Plans are already underway for our annual weeklong trip to Ensenada, Mexico. This year's trip will be from June 20th to June 28th. This trip, a life changing trip for many, will be led this year by Fion Cheng and Tim McLene-gan. The cost of the trip will be \$400, but many fundraisers will be held leading up to the trip. An informational meeting will be held **February 8th** after each worship service for those interested. This trip is open to anyone completing 8th grade or higher, and adults are welcome as well.

Youth Spaghetti Dinner - Jan. 31st 6pm

This is the 5th year that the youth department will host the entire church congregation for an evening in our Ristorante Baptista. Last year we raised over \$2,000, allowing us to reduce our youth winter retreat fees by \$60 per youth. We encourage you to help support the youth by coming out for a night of great food, entertainment, fun, and service, all provided by the youth of SCFBC. Tickets will be on sale after worship services starting January 4th.

Children's Ministry

As I reflect on the Children's Ministry and those who dedicate their time, energy and talents to the spiritual growth and development of our most precious and valuable asset, our children, I am so thankful for all God has blessed us with and for His faithfulness to us.

I look forward to a new year, new beginnings and new growth in our ministry and in the lives of our children.

If you feel God pulling on the strings of your heart and you have a passion for kids, please consider making a new commitment to the Children's Ministry and investing in the life of a child.

GOD HAS CALLED YOU to something. Have you answered the call? God Bless You.

Missions Update

Gary Baits, missionary from Costa Rica. Our missionary, Gary Baits will be back in the United States and with us on Sunday, January 18th and possibly Saturday, January 17th. Please make some time to join him for lunch, Sunday school or just make him welcome as he is part of our church family.

Hosting the homeless for EHC in 2009. SCFBC will be hosting the homeless at our church on February 5 -8 next year. Please get a current TB test and keep a copy of results to be a part of this project to cook or serve meals. There is a requirement that you have a current TB test. We will need a copy of the results to send to EHC. Please consider cooking or serving a meal with your small group as a community project. We will be asking for groups of volunteers as we would like to serve some meals when we will be hosting at our church.

Please pray for the missions projects God would like to have SCFBC be a part of locally, nationally, and internationally in 2009.

May we work together and look forward to the adventure Our Lord has for us!
